(It's a) Boucle Wrap!

A complimentary knitting pattern by Joanne Seiff

Do you need a shawl for a special occasion but you're limited on time? Let the yarn do the work with this boucle wrap. You'll have a lacey looking garment in no time, just using big needles and garter stitch. The edges are knitted slightly more firmly, which gives you something to pin with your favorite shawl pin or to hold. This pattern is ideal for the many lovely hand painted mohair boucles on the market, or for an elegant black or white. Now, that's a wrap!

Finished Measurements:

Approximately 56" long by 42" wide

Materials:

1 US#10³/₄ (7 mm) 24" or longer circular needle

Note: If you don't have a 7 mm, a #10¹/₂(6.5mm) will work just fine.

1 US#17 (12 mm) 24" or longer circular needle

600 yards of mohair boucle (sample yarn weighed approximately 8 oz and was 1,200 yards per lb.)

This model is knit with:

Cushendale Woollen Mills Mohair/wool boucle, dyed at the mill, color: Black

Note: this yarn is only available at the mill in Ireland but there are many beautiful mohair boucles available. Since this is a lacy item knit on big needles, the yarn weight and size of the item is somewhat flexible.

Notions required:

Yarn Needle with a large eye to weave in boucle ends

Row Counter

Gauge:

With larger needles:

7 sts=4" in stockinette stitch

The knit fabric is so stretchy and flexible that gauge isn't terribly important here.

Pattern Notes:

-At the last stitch of each row, slip 1 purlwise to create a neat edge.

-Mohair boucle can catch on your needles. Take care to knit into the yarn itself and not the boucle loops. One dropped stitch can make a big difference in a wrap with so much openwork. If you're having difficulties, use stitch markers every 10 stitches so you can be sure you haven't added or dropped any stitches.

Pattern:

Work Edging:

With smaller needles and mohair boucle, CO 75 sts loosely.

K 6 rows.

Work Body of the Wrap:

With larger needles, work even in garter st (k every row) for 55" or until wrap is desired length.

Work Edging:

With smaller needle, K 6 rows.

BO loosely.

Finishing:

Using yarn needle, weave in ends neatly so that wrap is reversible.

Enjoy your new wrap!
